Fully Assembled

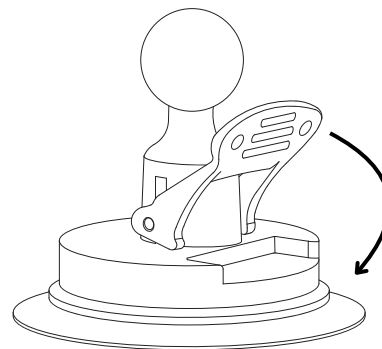

Refer to the image below for the full assembled product.

4

Installing the Mount

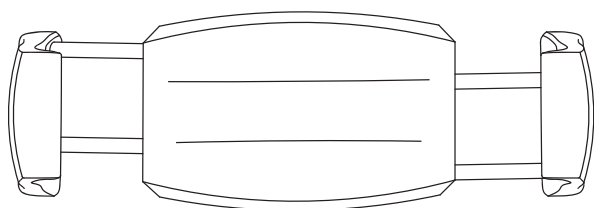

Locate a flat and secure spot on the windshield to affix the suction cup. Utilize the alcohol pad provided to clean the surface thoroughly and let it dry. Peel off the clear protective sheet from the base, then firmly press the suction cup base onto the surface. Secure the suction cup in place by flipping the lever downward to lock it.

5

Adjusting the Mobile Grip 5 Phone Holder

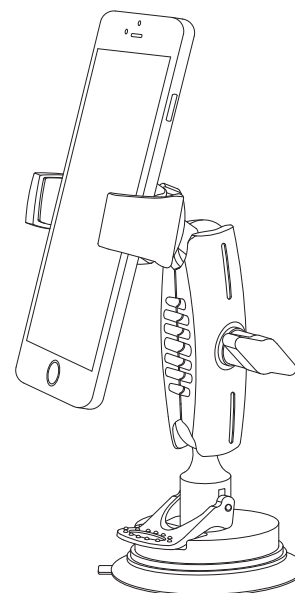

Simply extend the phone holder by activating the spring-loaded mechanism for easy insertion and removal of your smartphone.

6

Install your device into the Mobile Grip 5 Phone Holder

Place your device securely against one of the spring-loaded arms. Then, release the spring-loaded arm to firmly secure your device in place.
