

Packaging Contents

- A. AMPS Mounting Plate to 38mm Ball [APMAMPS38MMAL]
- B. 8.5-inch Double Socket Shaft [SPRM3885]

Important: Clean the surface of dirt, dust, and grease before installation.

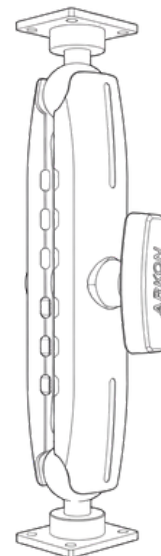

Attach the Components

Loosen the shaft arm by turning the knob counterclockwise. Insert both ball ends into the sockets, adjust to the desired position, then tighten the knob clockwise to secure the mount.

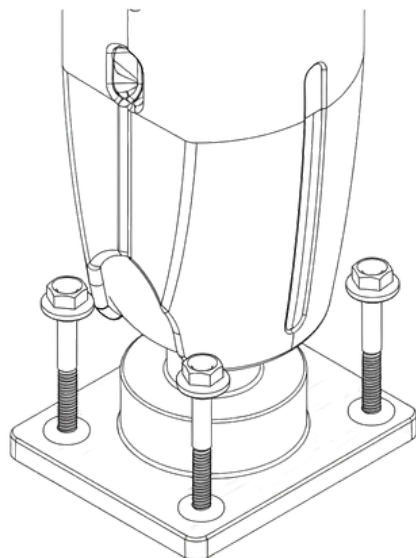

Assembly Complete

Your pedestal is now fully assembled and ready for use. Refer to the image below for the completed assembly.

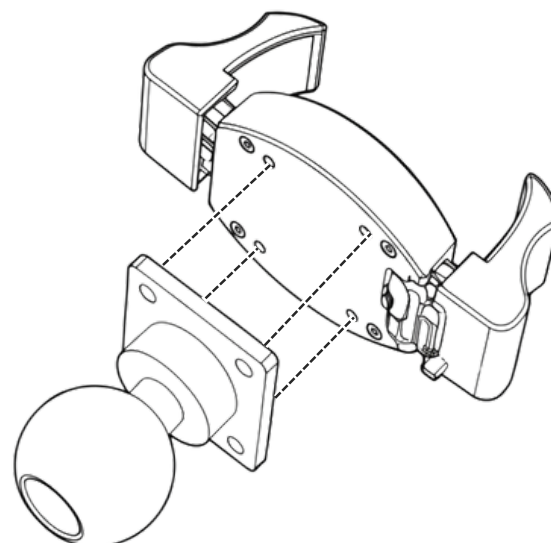

Mount Installation

Secure the pedestal to a compatible mounting surface using appropriate hardware (**not included**).

Attach a Compatible Device Holder

Align the AMPS adapter with the mounting holes on the back of a compatible holder. Insert four mounting screws (**not included**) and tighten them securely to complete the installation.

WARNING
CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system.
